YEAR IN REVIEW

2024 was an exciting year for Mighty Boots! We worked with old friends like Loyola Academy, Maya HS, ICAN, and the Challenge Foundation. We also ran our first women's climbing/yoga retreat for adults! It was a year full of rock climbing, hiking, camping and having fun outdoors!

Danny Taber

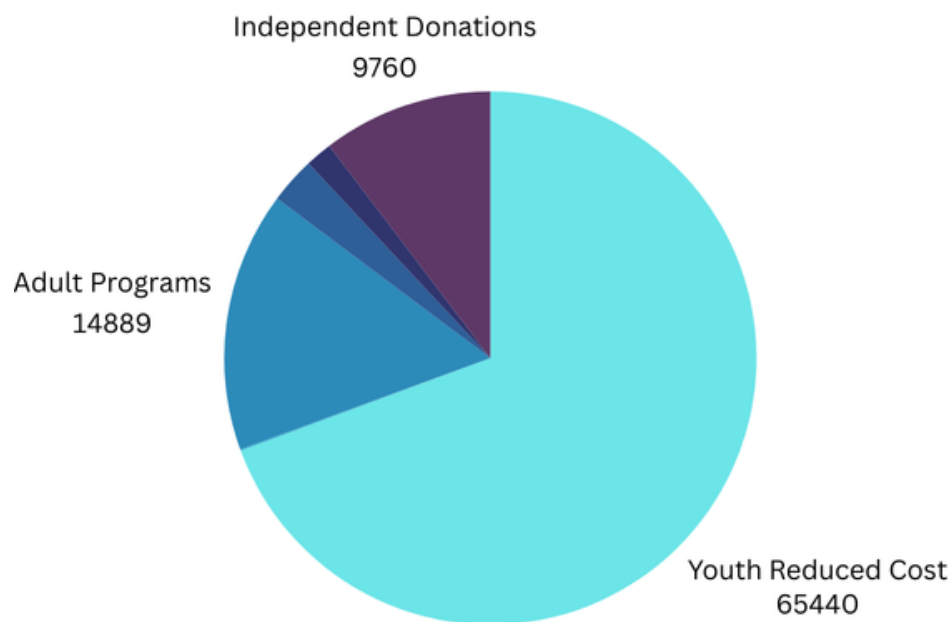

EXECUTIVE DIRECTOR

"I REALLY LIKED MIGHTY BOOTS BECAUSE WE GOT TO GO ON TRIPS AND ADVENTURES WE MIGHT'VE NOT BEEN ABLE TO DO BEFORE. IT GAVE US AN EXPERIENCE OF LEARNING ABOUT NATURE AND SURVIVAL TIPS. IT INTRODUCED US TO ALL SORTS OF ACTIVITIES. ALSO IT MADE US AWARE OF OUR SURROUNDINGS. FOR EXAMPLE, ON THE OVERNIGHT TRIP WE LEARNED HOW TO MAKE A FIRE, PUT UP A TENT, AND ROAST SMORES."

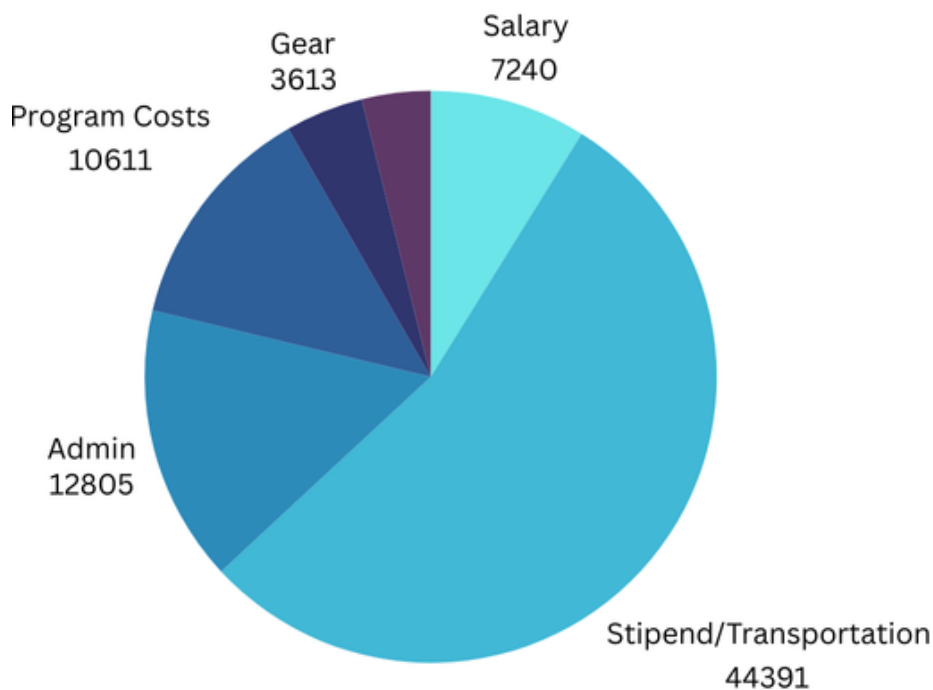

INCOME

Our total income for the year was \$94,368. Our largest source of income was reduced cost youth programs at \$65,440 and our second largest source of income was full priced adult programs at \$14,889.

EXPENSES

Our total expenses for the year were \$81,834. Our largest expense was stipends/transportation at \$44,381. Our second largest expense was administration costs at \$12,805.
